Dear Students,

After weeks of hard work, it brings me great pleasure to announce that we have secured \$43,451 in Emergency Financial Aid Grants to be distributed directly to students! The distribution of that money to qualified individuals will begin next week.

ACTION IS REQUIRED in order for you to obtain your allocation of funds. Please be sure to read the following:

- Emergency Financial Aid Grants Cover Letter - Attached
- Emergency Financial Aid Grants Policy - Attached
- www.alexanderpaul.edu/heerf - The above documents, required forms, and additional information on these funds is available here and this site will be updated periodically

All the information you need is in those documents and links, but I will stress the following:

- USE YOUR PERSONAL EMAIL ADDRESS AND **NOT** YOUR SCHOOL EMAIL ADDRESS to complete documents related to these funds
- Please carefully read the documents so that you fully understand the info about these funds
- Please be careful to submit the paperwork timely and correctly. Aim to complete your required documents before Monday morning. For those who need to submit a FAFSA, please do so as soon as possible.
- When utilizing the funds, students should also take into consideration that distance learning may continue to be a method used in our education in the future during their program, and there may be future waves of coronavirus that necessitate the return to distance learning in whole or in part. So, students should consider using some of the funds to invest in things such as stable or higher speed internet connections, better technology, etc if applicable.

Gaining these funds has not been a simple task, and our team has been working for many weeks to be able to deliver these funds. We are happy to be able to get the funds in your hands very soon. Please help us efficiently deliver them by fully understanding the attached documents and links and taking care to complete your required paperwork accurately and timely. If we are able to efficiently deliver the funds, it will allow us to shift our focus to reopening strategy.

I am excited for you all, and I hope these funds provide financial stability and financial assistance to everyone affected!

Sincerely,

--
