Hello Everyone,

We have completed the final allocation calculation for the Part 2 distribution of the Emergency Financial Aid Grants ([www.alexanderpaul.edu/heerf](http://www.alexanderpaul.edu/heerf)) and have begun distribution of those funds, which many of you may have already received. Everyone scheduled to receive an allocation will receive theirs over the next few days.

As with the Part 1 distribution, not everyone will receive the distribution on the same day due to EFT transaction limits and us working through a large number of transfers and checks for a large number of students on the list.

If you opted for a paper check, those checks will be distributed on site starting tomorrow 6/6/2020 rather than being mailed since we are back on campus. In addition, students who filled out an EFT Consent form without registering their Zelle account in the app or students for whom the EFT transfer failed due to unknown issues will be receiving a paper check.

I will be posting a final report and update on the website in the next few days and will notify you when it is posted.

If you are receiving a paper check, it will greatly help me if you deposit it ASAP so I can finalize my report to the US Department of Education and move on to focusing on instruction and other school needs.

I hope that these funds have achieved their goal: To help stabilize you financially so you can continue to focus on education, and it has been a pleasure to get these funds to you.

Thank You,

--
