Hello All,

I just wanted to give everyone an update on the HEERF Emergency Financial Aid Grants.

Everyone who submitted an Emergency Financial Aid Grant Certification that was included in the Part 1 distribution has been sent their funds by their preferred method, either check or EFT. No further action is needed on the part of these students for the Part 2 distribution.

Any students included in a Part 1 distribution who have not filled out the proper paperwork that wish to pursue receiving their allocation should do so immediately.

Students included in Part 2 who have not submitted their documents yet should do so as well. I will be checking these documents later next week.

Due to my current workload, I am not able to answer individual questions promptly, but I provided answers to questions in the documentation included at www.alexanderpaul.edu/heerf.

Thank You,
