Hello Everyone,

This is a final email on the HEERF Emergency Financial Aid Grants. The full amount of funding the school obtained for distribution directly to students has been distributed and fully exhausted.

The page about these funds at [www.alexanderpaul.edu/heerf](http://www.alexanderpaul.edu/heerf) has received its final update, unless the school receives direction to update it further in the future.

I'm happy to have delivered these funds to everyone, and I hope that they have achieved their intended purpose.

In April, before our school was able to obtain these funds, several US Senators attempted to have our school and schools like ours excluded entirely from these funds. Paul and I visit Washington DC with the American Association of Cosmetology Schools periodically to spread the message about our school and students to avoid these outcomes. Our trip was cancelled this year due to Coronavirus, but I hope that everyone stays involved in the future to help spread the message about our students and our industry.

Sincerely,

--
